Center for Applied Genetics
& Genomic Medicine

Genetics and Genomics Grand Rounds

Sponsored for CME by The University of Arizona College of Medicine – Tucson

Friday, September 9, 2016

12:00 – 1:00 pm

Room 8403, UA College of Medicine

Bridging Epigenetics and Development to Reveal Novel Therapeutic Targets in Pediatric Cancers

Justina D McEvoy, PhD

Assistant Professor, Molecular and Cellular Biology

Assistant Professor, Pediatrics

Assistant Professor, BIO5 Institute

Associate Member, Arizona Cancer Center

University of Arizona

Outcome Objectives:

- 1.) Describe recent progress in the research, diagnosis and treatment of genetic disorders
- 2.) Discuss how variation in the human genome influences health and disease
- 3.) Integrate advances in genetic diagnosis and treatment into the day-to-day practices of research and clinical care.

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):

All Faculty, CME Planning Committee Members, and the CME Office Reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
