

## Announcing the 15<sup>th</sup> annual Tucson Symposium April 9-10, 2019

We are pleased to announce that registration is now open for Tucson Symposium 2019 (TS19), which will take place April 9-10, 2019 at the El Conquistador Tucson. The two day conference, hosted by Roche Tissue Diagnostics (RTD), will explore developments in immuno-oncology, tumor heterogeneity, translational medicine, informatics and transforming technologies and new frontiers in colorectal cancer, with the single focus of improving patient lives. [View the agenda.](#)

### Registration

The registration fee is \$750 (students\* pay \$350) and includes all conference fees and materials, two breakfasts, two lunches and one dinner (Tuesday evening). The registration fee increases to \$850 USD after February 15. Registration closes on **March 25, 2019**. Register at [www.tucsonsymposium.com](http://www.tucsonsymposium.com).

### Call for scientific poster abstracts

The scientific community is invited to submit scientific poster abstracts for TS19. The TS19 poster session will be held on Tuesday, April 9 from 1:30 to 3 pm at the El Conquistador Tucson. Abstracts should be non-commercial in nature and relate to the topics of the Tucson Symposium. More information, including submission guidelines and deadlines, can be found [here](#).
